During the summer months each year several DLS juniors are chosen to represent the school in the statewide Boys' State held at LSU. Late August marks the beginning of a new school year. Students arrive on Book Day wearing their "Sunday Best" for their school pictures.

Seniors begin immediately planning the Senior Ring Mass at which senior rings are blessed prior to their receiving them. This year's Ring Mass was enriched by Mr. Scheyd and a small group of seniors who led the congregation in song.

Robert Munch, Fr. Peter Blanchard and Fr. Pat Hunter concelebrated the Ring Mass.

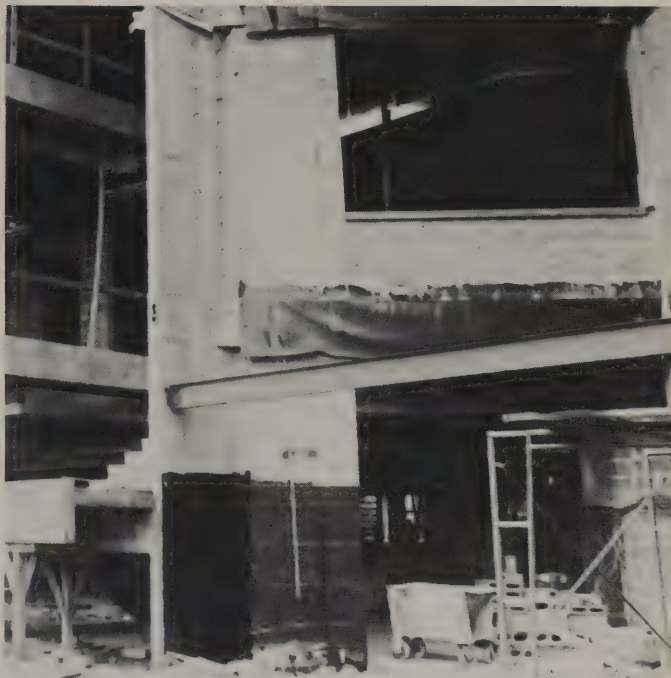

The Seniors concluded their celebration of beginning their last year and receiving their Senior rings with the Ring Dance, which this year was held at the Marriott Hotel.

September was a month of Dances. This year's Back to School Dance was held on the Natchez. The entertainment was excellent and several of the stu-

dents provided additional entertainment by demonstrating their own versions of the "gator."

Two faculty members had significant personal events during September. Br. Peter Tripp celebrated the profession of his final vows as a Christian Brother, and Mrs. Zimmerman celebrated the birth of her new daughter, Kelly Lynne.

We were well into the football season in October. Cav spirit was always high. The highlight of the month was the "Troupe De La Salle" presentation of Deadwood Dick (complete photo coverage is in the Drama section). Seniors were given a day to break the dress code . . . the day was officially called "Sen-

ior Short, Shade, and Hat Day."

November opened with a week packed with Homecoming activities. Featured on the right is Mr. Gaston Van de Voorde, who was the honoree on Founders' Day.

In mid-November the student council sponsored a food drive for the needy of New Orleans. The food was assembled and offered in thanksgiving at the Thanksgiving Mass. Br. Richard expressed special thanks to the students for their generosity.

Activities surrounding the Homecoming game were highlighted by the Kangaroo Court, which formally initiated the Freshmen. The program was organized and "executed" by the seniors.

December was a month mixed with anxiety and anticipation: anxiety over the first semester exams and anticipation of the Christmas vacation.

December opened with the presentation of **Lion in Winter**. A week before the Christmas break the DLS Concert Band performed its annual winter concert at Ursuline Auditorium.

In early January Donkey Basketball returned to

DLS. In the afternoon game the students defeated the faculty. The faculty in turn defeated the students in the evening game.

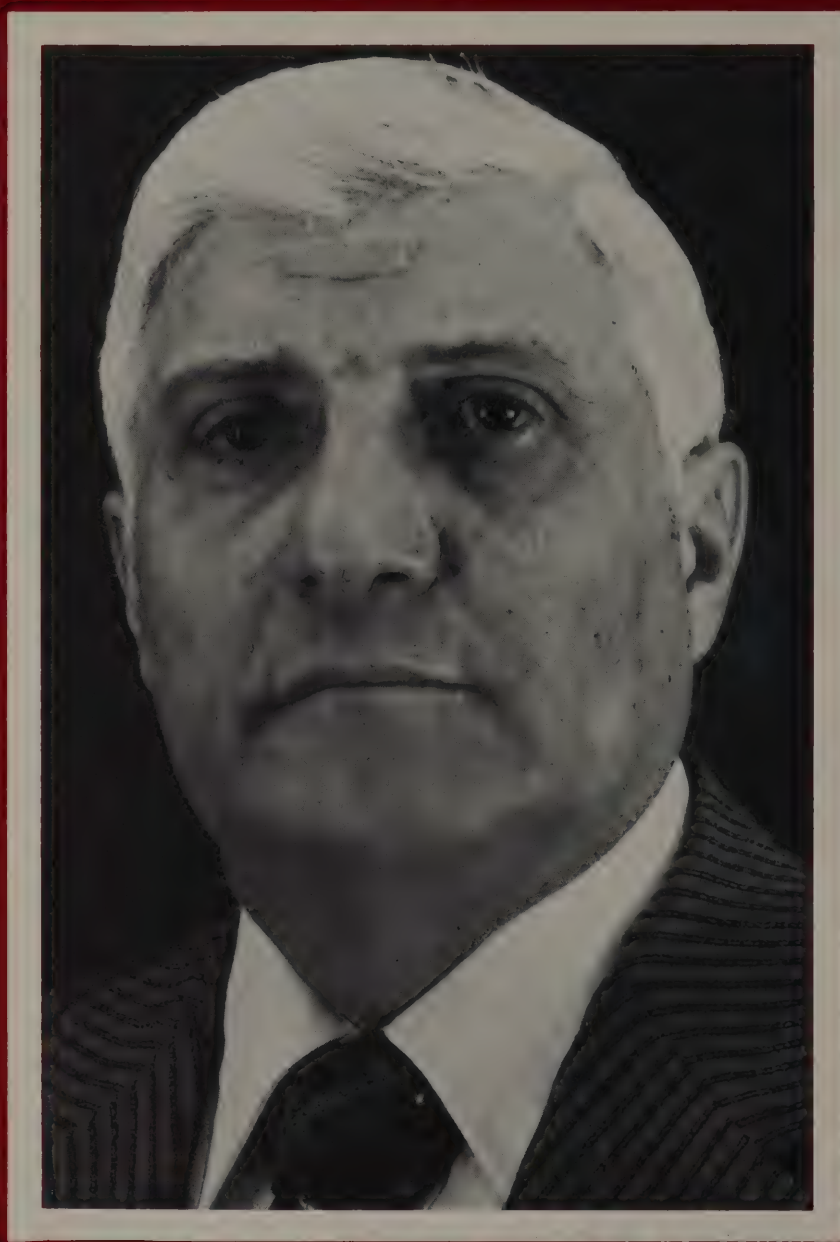

Also during January each year a number of students travel to Washington D.C. to participate in the nationwide Close-Up program sponsored by the U.S. Congress.

February was a month filled with many activities. In the beginning of February, the student council sponsored a 50's dance and a Grease Day. For Grease Day the students were permitted to dress in jeans and leather jackets and the next night many students rocked away at the dance in the gym from 8 p.m. till midnight.

On February 8, 1980, Steve Lawrence and Eydie Gormet entertained audiences at two shows. The concerts, which were held at The Theater for the Performing Arts, lasted for two hours. The proceeds from the concerts were donated to the De La Salle Building Fund.

During the Mardi Gras period the De La Salle Marching Band participated in four parades; Caesar, Freret, Babylon, and Pegasus.

March was the month for level masses at De La Salle. Each Thursday a different level would report to the third floor of the Brother Arsenius Center for a mass with Fr. Peter. The Drama Department put on "Man of La Mancha" and WDLS Productions started to broadcast a weekly television show.

a.) John Crane, Greg Miller, and Jim Rivas set up the camera for WDLS Productions. **b.)** Brent Antonatos and John Crane in the drama production of "Man of La Mancha." **c.)** Father Peter leads the juniors in prayer at their mass.

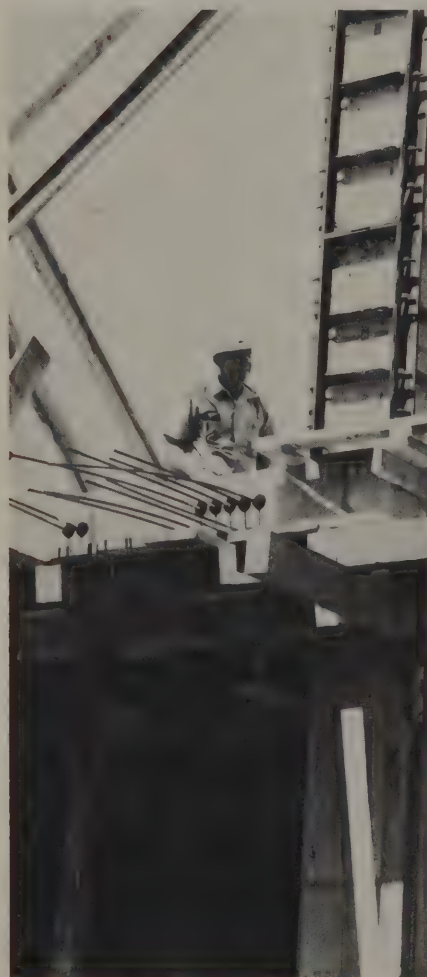

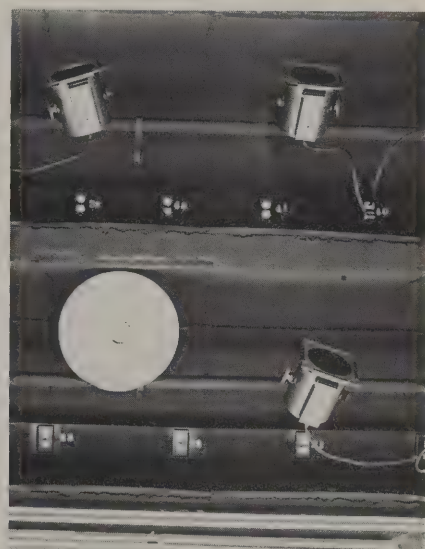

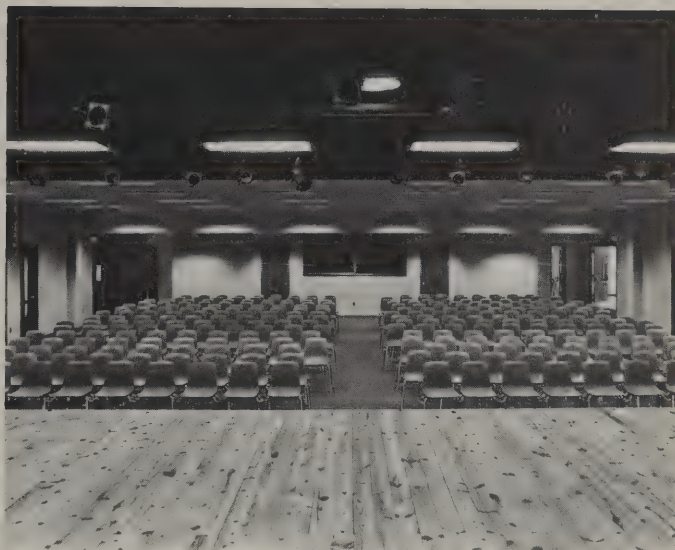

In the middle of April, De La Salle recessed for Easter vacation. Many students traveled to Texas, Florida, and New Mexico. The De La Salle High School Marching Band was rewarded with a trip to Disneyworld by Brother Richard. This year's senior

trip was to the Bahama Islands. About seventy seniors boarded the Flavia in Miami and cruised around the islands for five days. The seniors enjoyed themselves very much.

Following several years of preparation and months of anticipation, the morning of the dedication of the Brother Arsenius Student Center finally arrived. The plans had been to have an afternoon dedication and ribbon cutting ceremony, followed by an evening of entertainment with Alice Faye and Phil Harris in the Phil Harris/Alice Faye Theater.

Plans were quickly changed when the city of New Orleans awoke to extensive flooding. Early in the morning, several of the brothers ventured down to the school. Fortunately no water had entered either the old or new buildings. As the pictures above illustrate, it was impossible to continue with the afternoon ceremonies; however, over 250 guests ven-

tured out of their homes for the evening celebration.

The evening's entertainment began with several jazz songs performed by the DLS Jazz Ensemble. Brother Paul Walsh, Provincial of the Christian Brothers, gave the key note address, indicating the appropriateness of naming the new facility the Brother Arsenius Student Center. The evening's entertainment continued with comedian "Madam Marie" (Lottie Cefelu).

The highlight of the evening's activities was the warm and heartfelt remarks of Phil Harris and Alice Faye, expressing their appreciation and honor at being chosen as the namesakes of the new theater.

As well as expressing his sincere thanks for the honor he and his wife had just received, Phil Harris performed several of the songs which made him so famous. Alice Faye in turn surprised the crowd by dedicating her entire film collection containing all of her movies to De La Salle High School. "This is where my films belong."

The formal dedication finally took place one week behind schedule. Msgr. Henry Bezou participated in the ceremonies by blessing the building. Following the formal dedication, parents and guests took leisurely tours of the Brother Arsenius Student Center.

This year instead of a Junior-Senior Prom the student council sponsored a Junior-Senior Dance. This was done so the seniors could save money. The dance was held at the Marriott Hotel on April 19, 1980. The crowd, which consisted of mostly juniors, boogied from nine until one.

On April 28, 1980, The Great Novak performed in front of the student body. The Great Novak is a hypnotist with a message about the effects of drugs on people. He hypnotized twelve students and made them do silly things. Mr. Novak entertained the students for nearly two hours.

a.) Chris Landry and Sam Lovecchio with their dates at the dance. **b.)** Tony Jennings and his date partying to the music. **c.)** Randy Remmelts shows us his new one leg dance. **d.)** Barry Halbert poses for the photographer at the end of the dance. **e.)** Mr. Novak opened his show with a few anecdotes about drug related

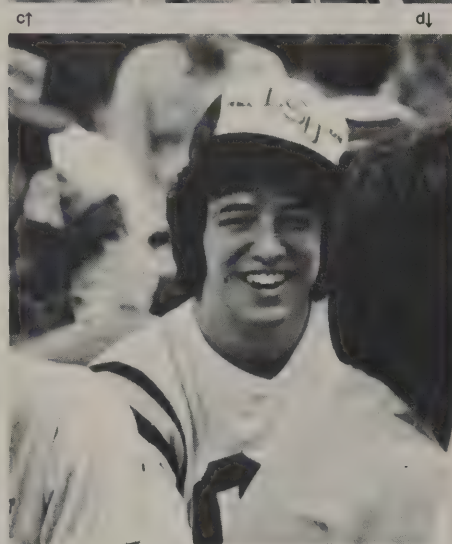

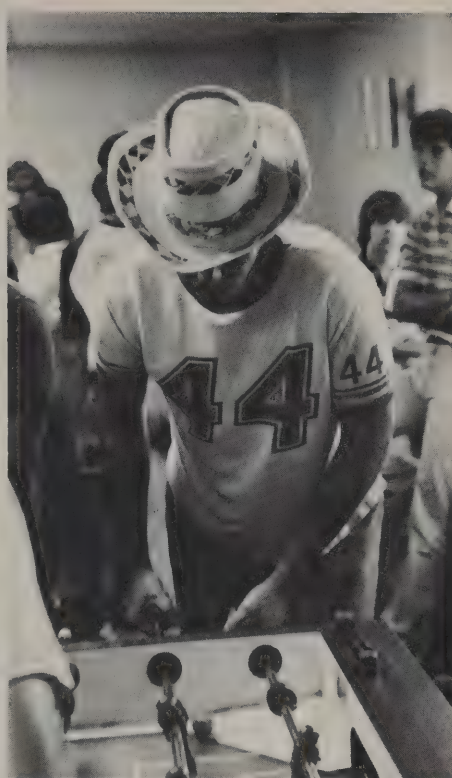

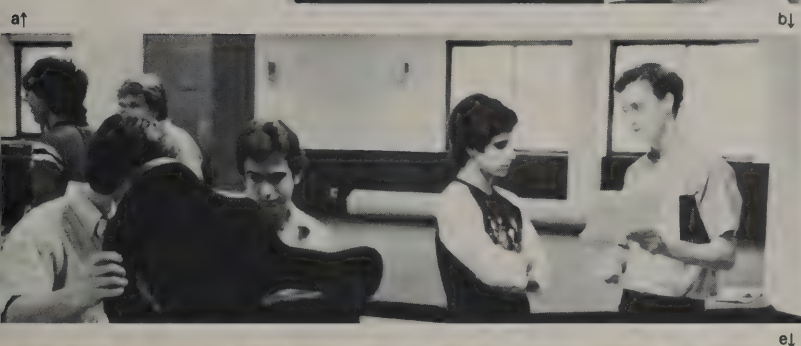

crimes. **f.)** The Great Novak put Randy Lattie back to sleep. **g.)** Eric Pember, a junior, laughs hysterically while he was "drunk" with water. **h.)** Seniors Mike Horn, Bob Hardgrave, Jerry Horn, and Tommy Lisotta watch Mr. Novak perform his "magic."

As April drew to a close, the De La Salle Concert Band had its annual Spring concert. This year the band performed two shows on April 29 and April 30, respectively. Each concert featured the concert band, the guitar ensemble, and the jazz band.

Also at the end of April, the new library in the Brother Arsenius Center was in full operation. The new facility offered more space for students to study.

a. Tommy Hakenjos awaits his turn to start playing. **b.** Mrs. Difatta receives a bouquet of flowers for all of her help with this year's band program. **c.** Students working in the new library.

May was filled with senior exams, graduation, and anticipation of school ending. After the senior exams, which were in the second week of May, the seniors had their Activity Day and graduation practices. During each practice seniors learned about their ceremony. Also in May La Troupe De La Salle

put on a set of one act plays, a short mime show, and Herb Gardner's "The Good-Bye People."

Six weeks prior to graduation, a committee composed of seniors and faculty members began meeting in preparation for this year's graduation ceremony. The graduation committee proposed several new ideas that would make the 1980 ceremony more meaningful to the graduates. The most notable

change was the presentation of diplomas by Advisories instead of the usual alphabetical order.

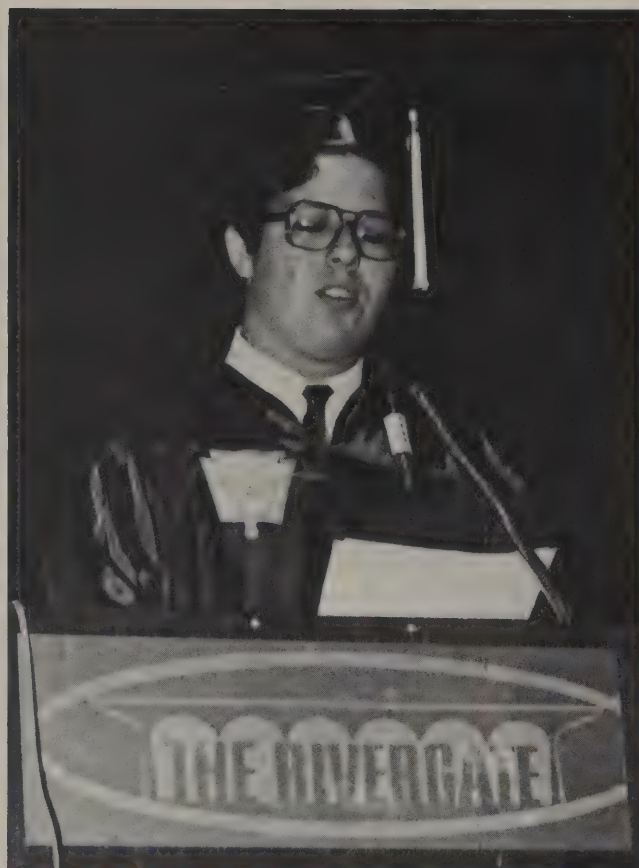

It was commented by parents, faculty and the graduates that this year's graduation was by far one of the best they had seen in many years.

STUDENT LIFE

SPIRIT CLUB

The Spirit Club, which had been dormant for the past few years, was reorganized under the guidance of Moderator, Mrs. Donna Speég. The activities of the club included making the banners and selling spirit ribbons for the football and basketball games. By their spirited actions, the club helped to increase attendance at games as well as give psychological support to the players.

WDLS

WDLS, an offspring of the Media II class here at De La Salle, is a closed circuit television station that broadcasts a five minute show each day that contains information about up-coming events. The station also televises entertainment for the students during the two lunch periods. Under the direction of Mrs. Carole Evans and Brother Philip Lucero, the Media class scripted, taped, edited, and starred in their programs.

ART CLUB

The Art Club, moderated by Miss Cherie Rouquette, produced several projects for the 1979-1980 school year. They painted props for both the puppet show of the Foreign Language Club, and for *The*

Lion in Winter. They drew the caricatures for the Father Son Banquet, and they made the banners for several school masses.

The Art Club also painted a new wild life mural on the walls of the new Art room of the Brother Arsenius Student Center.

The Art Club renders an important service to the school by providing the art work for many events.

POLITICAL DEBATE CLUB

The Political Debate Club was formed at De La Salle to try to interest the students in politics. Paul Lombardo led the club and kept in constant contact with many politicians on both the state and national levels. The club also helped in organizing the political poll which was taken by the entire student body in order to get the opinion of the school on several

political issues. Mr. Phil Babineaux was the moderator of the club.

LITURGICAL COMMITTEE

Under the direction of Mr. Fred Sheyd, the De La Salle Liturgical Committee was responsible for organizing all of the school masses and other religious activities held during the year. The entire student body helped to make both the Thanksgiving food drive and the Christmas toy drive huge successes. The students donated many pounds of food and enough money to buy forty turkeys for the drive organized by the Liturgical Committee.

MATH LEAGUE

The De La Salle Math League team is composed of students who do exceptionally well in math at De La Salle. Members of the team are selected on the basis of qualifying tests which are administered early in the school year. The members of the team then practice at their own pace for the two tournaments which are held in the Fall and in the Spring. In the

first tournament, the De La Salle team finished second out of twenty teams and finished first in the second tournament. The Moderator of the De La Salle Math League team is Mr. Steven Vasalech.

THE MAROON LEGEND

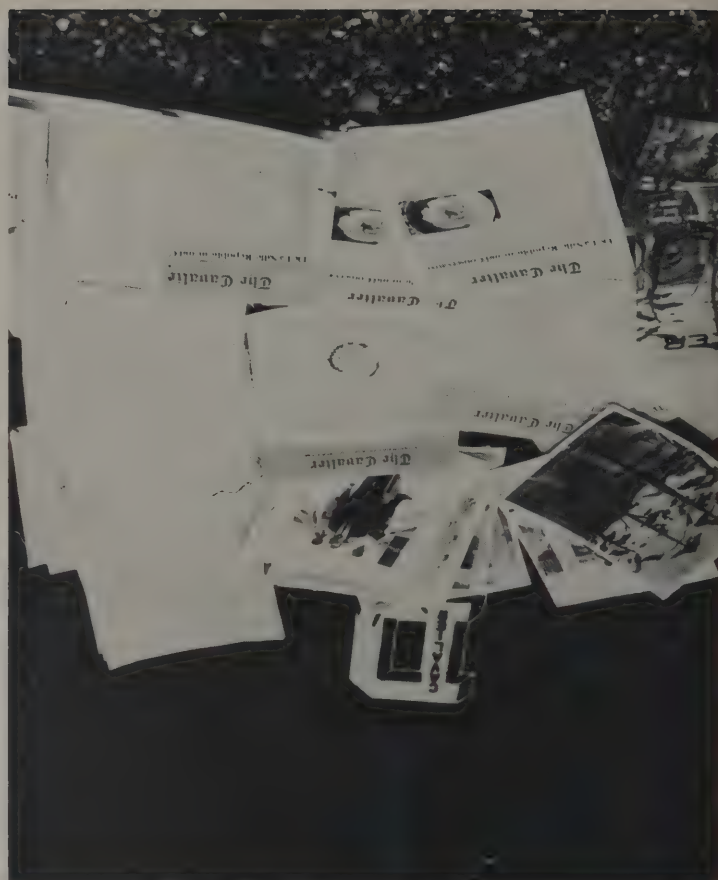

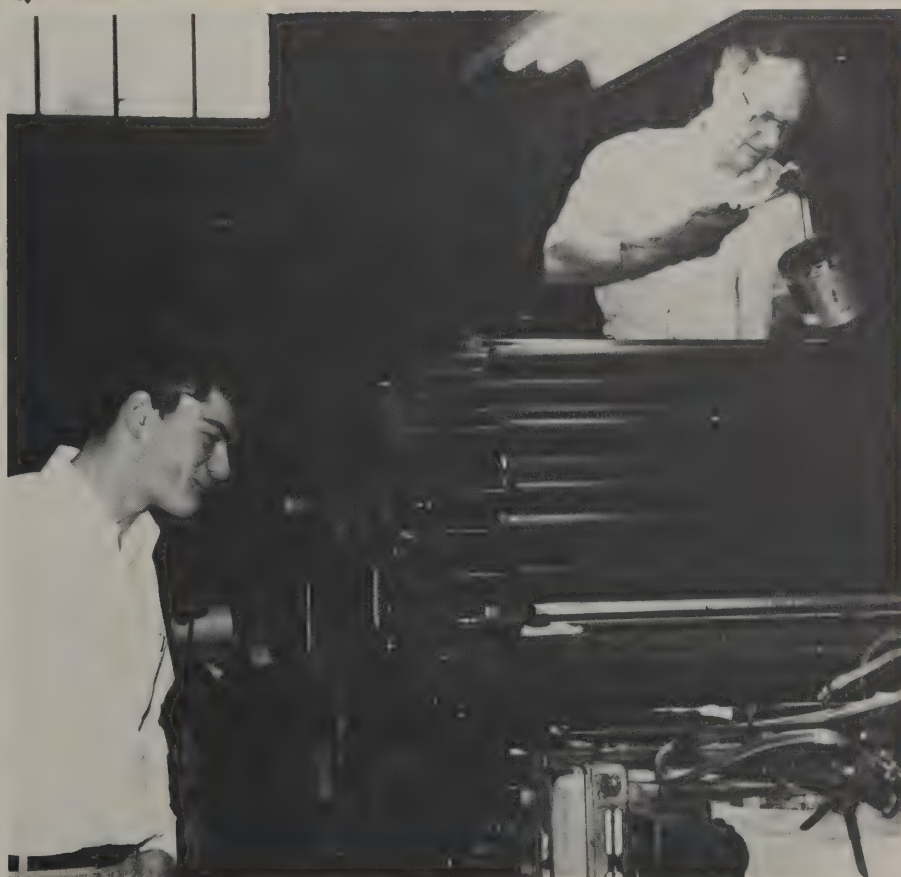

Thank you, Mr. Brennan.

CAVALIER

The Cavalier, for the first time in its history, was completely run by the students with no faculty moderator. Tommy McGoey and Paul McGinn co-edited the paper with the assistant editors Kent Davis and Neil Giurintano. The number of editions put out this year grew to five, one more than last year. The main objective of the staff this year was to try to relay the student and faculty opinion in the paper. The paper took public opinion polls and did several interviews with various members of the faculty and staff. Instead of just reporting the news, the paper gave the reasons for the various occurrences around school also. The staff reported on activities that did not receive publicity from any other source. The entire staff did a very good job, even without the help of a moderator.

BOWLING

The 1979-1980 De La Salle High School Bowling Team had a very successful season this year, eventually winning the Catholic League Championship. Kevlin Clark, the captain of the team, led the Cavs to a two games to three victory over Rummel for the League Championship. Two individuals who deserve special recognition for their performances in the Championship games are Scott Monteleone, who had an over-all score of 705 for the three games played for the championship, and Kevlin Clark who scored 646 points in the three games. Kevlin Clark was picked to play on the All-City Team for his impressive performance in the first round of play where De La Salle qualified to play for the Catholic League Championship.

Mrs. Karen McAcy was the moderator of the Bowling Team until she had to leave school to give birth to twins. Mr. William Perkins took over as moderator after Mrs. McAcy left.

D.L.S. Band

The De La Salle Cavalier Band is another feather in the Cavalier cap. Performance and awards both reflected a successful year. The band was invited to Governor David Treen's Inaugural Parade, served as the Captain's band in the Krewe of Caesar's parade and the King's band in the Krewe of Freret Parade.

Activities begin in early August in preparation for the new year. In addition to playing at all of the DLS home football games, the band also participated in

the following: Christian Brother's Jamboree, operahouse for incoming 8th and 9th graders, the Channel 12 auction, the St. Patrick's Day Parade, the musical "Man of La Mancha," pep rallies and graduation.

It was no surprise, to those who attended the Winter and Spring concerts, that our band received an overall rating of excellent, and a superior in sight-reading at the L.M.E.A. contest.

The many hours of practice have certainly proved fruitful for both Mr. John Difatta, band director, and the band members.

NATIONAL HONOR SOCIETY AND SQUIRES CLUB

Under the direction of Mr. Warren Caire and Wester Perret, thirty-five new members were inducted into the National Honor Society. The eighth, ninth, and tenth graders are members of the Squires Club until they reach the eleventh grade when they officially become members of the National Honor Society.

The requirements of the National Honor Society are scholarship, character, service, loyalty and leadership. The officers of the 1979-1980 school year were as follows: David Voisin, president; Peter Moran, vice-president; Jacob Berlin, secretary; Michael Wiederspahn, treasurer.

a. President of the National Honor society, David Voisin, lighting the candle of leadership at the induction ceremony. b.and e. Senior members of the National Honor Society. c. PREP QUIZ BOWL

The 1979-1980 Varsity Prep Quiz Bowl Team had a new coach, Brother Andre Lacoste. With two members returning from last year's team — Forrest Francis and team captain David Voisin — this year's team proved to be very strong. The other members of the team included Paul McGinn, Greg Sloop, and alternate, Kent Davis. The team won its first match against Redemptorist by a score of 470 to 10. They

won their second match against Ben Franklin by a score of 510 to 175. The team also beat a tough Morgan City team by almost two hundred points.

It is indeed evident that the team had a very successful year. The team is expected to do very well next year also with the return of Kent Davis and with the help of all of those that went out for this year's team.

ACADEMIC GAMES

For the third year in a row, the De La Salle Academic Games teams won the national championship. The moderators this year were Mr. Brian Altobello in the social studies games and Brother Peter Tripp in the math games. In the math division, the Senior On-Sets and Equations team won first place honors and became the overall national champions for the third year in a row. This senior team consisted of David Voisin, Paul McGinn, Peter Moran, Danny Carroll, and Pat Ryan.

In social studies competition, the De La Salle senior team won first place in the Jefferson Parish Academic Games competition in the games of Mr. President and Ameri-Eurocard. These teams were comprised of Jeff Crouere, David Voisin, Paul McGinn, Pat Ryan, Danny Carrol and Forrest Francis. Other individuals receiving outstanding honors included Peter Moran, who was National Champion in another game called Propaganda, and Tam Nguyen, who also won the National Championship, but in the game of Wiff and Proof.

MU ALPHA THETA

Mu Alpha Theta is a mathematical fraternity for high school students. The only qualification for the club is a 3.0 average in mathematics. Members of the club attend regular meetings, and meetings with other schools in the district. Twenty-one students from De La Salle attended the state Mu Alpha Theta Convention, which was held on March 7, 8, and 9, at the Hyatt Regency Hotel. The purpose of the convention was to elect next year's state officers, and to provide for competition in several mathematical games.

KEY CLUB

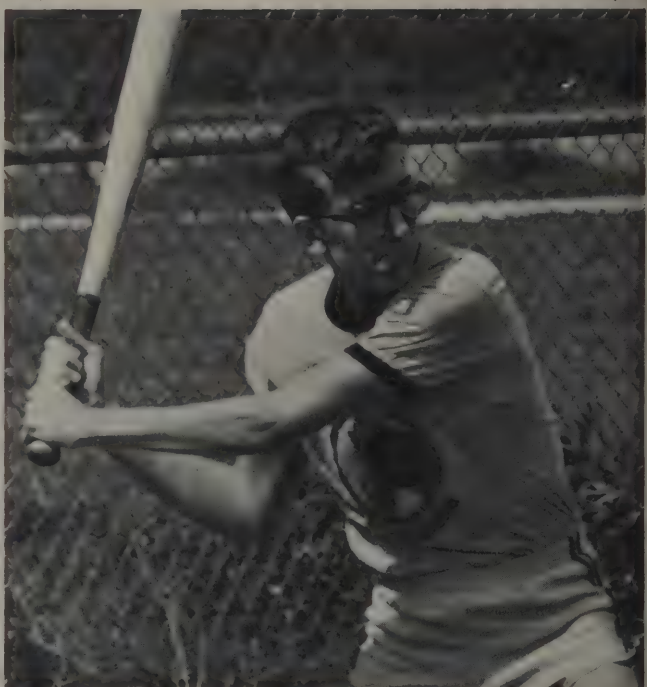

The De La Salle Key Club is a service organization for both the school and community. The De La Salle chapter of Key Club International is sponsored by the Crescent City Eye Openers of Kiwanis International. In the past few years at De La Salle, the Key Club has not been very active. However, this year under the new faculty moderator, Brother Phillip Lucero, the Key Club now performs many services for the school and community. This past year the club worked on the Thanksgiving drive, prepared the calendar of events at De La Salle, ushered for the Steve Lawrence and Eydie Gorme concert, cleaned up St. Charles Avenue two times each month, performed volunteer work for the Methodist Home, The Children's Hospital, and the Volunteers of America, operated a booth at the Children's Hospital fair, and took the children of the Methodist Home to the zoo.

STUDENT COUNCIL

The Student Council, under the leadership of President Thomas McGoey, is a very important part of all events held at De La Salle. Some of the many projects that the student council has either sponsored or organized include all school dances, I.D. pictures on book day, homecoming and initiation activities, Thanksgiving drive, Steve Lawrence and Eydie Gorme concert, pep rallies, and intramural basketball and volleyball games.

The Student Council sponsored the donkey basketball game, the 50's day at De La Salle, and the 50's dance, all of which were new to De La Salle and were huge successes.

In his second year with the Student Council, Mr. Armand Bertin, is responsible for the much-needed involvement of the Council in so many school functions.

CAVALETTES

The De La Salle Cavelettes were organized in 1971 and have been under the direction of Mrs. Debbie Himbert since that time. The group is composed of 50 girls from 12 area high schools. They performed during the half time of every De La Salle

football game and during several of the basketball games. They entertained during the half times of several of the University of New Orleans basketball games and accompanied the De La Salle Band in Mardi Gras Parades.

The 1979-1980 squad, under the leadership of captains Ann Ecuyer and Sharon Meyer, has received a first division rating in state competition.

CHEERLEADERS

The De La Salle Cheerleaders, under the new faculty moderator, Mrs. Diane Dimitri, had a very successful year, capturing first place honors in the statewide competition in Baton Rouge, Louisiana, and fourth place in the Southeastern Regional Competition in Mobile, Alabama. The three captains for

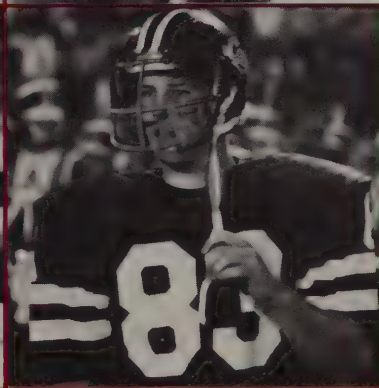

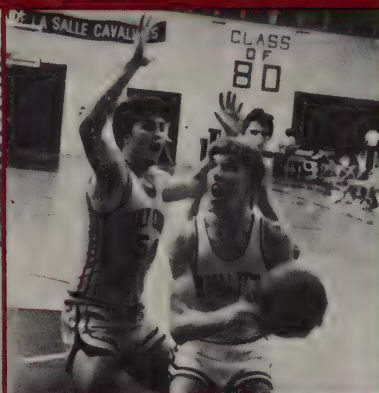

the year were Gene Bagot, Eric Pember, and Michella Fortunato. The sixteen cheerleaders, only five of whom returned from last year, cheered the Cavs on at all of the De La Salle football and basketball games and marched in the Mardi Gras parades along with the band. SPORTS

FOOTBALL

According to the 1979 scoreboard, the Cavaliers did not do so well as they have in past years. However, those scores are but hard facts. They do not reflect the team's true performance. Nor are those scores actually that important, but the players are. After all, high school sports were organized with the students in mind.

With the loss of several of last year's key players to graduation, the 1979 Cavs entered the season as a fairly young team, composed primarily of juniors. Though this lack of experience shows in the final

af

jc

scores, several starting players turned in some fine showings. Junior Kirk Barrell, in his first year as a starting quarterback completed thirty-seven percent of his passes, leading directly to twenty-two percent of the year's total points. Richard Vernotzy, another junior, led the team in scoring, while sophomore Bryan Long intercepted three passes for a total of sixty-four yards.

Defensively, the team was hindered by a light average weight per man, but that doesn't mean they (continued on page 125).

Height, speed, agility, intelligence — all are necessary physical qualities of a good basketball team. However, they do not include perhaps the most important quality — desire to do one's best, regardless of the outcome. A deficiency in any one of the physical qualities may be viewed by some as a weakness, but it does not have to be. A strong team will at least try to overcome its shortcomings and in the progress will grow stronger.

This is the case with the Varsity basketball team. The excellent speed and agility of the team members helped offset a lack of height while giving their opponents a reason to hustle. Many times the outcome was decided in the last few seconds of the game, and even then by only a few points. An example of this was the unprecedented **triple overtime** against St. Augustine in first round district action.

While the team as a whole posted a 9-20 record (including tournaments and a forfeit by Rummel) individually several team members had good seasons. Junior Joe Latino led the Cavs in scoring with 321 points, followed closely by Ken Bonura with 312 points and Kevin Vogt with 299. As for defense, senior Greg Caston sank 81% of his free throw attempts, while Guy Perrier had the most rebounds per game.

Though the practices were long and hard, and the games somewhat disappointing, the young Cavalier team gained a wealth of experience from this year's play. With the majority of the team members returning next year, the Cavs will be the team to watch in district 11-A AAAA action.

JUNIOR VARSITY BASKETBALL

The 1980 Junior Varsity Basketball team, coached by Joey Hines, had a better than average season this year. Coach Hines, who concentrated on giving the team overall strength, was rewarded when the team reached the CYO semifinals. Two players in particular contributed much to the team, sophomores Guy Perrier and Kevin Vogt. Both moved up from the Junior Varsity team to Varsity by midseason, but this did not prevent Perrier from being named to the 11-AAAA all-defensive team. Filling the void left by Kevin and Guy were fellow sophomores Dean Sunseri, Larry Frey, and Todd Wade. Each turned in a fine showing, and occasionally played on Varsity. Completing the starting lineup were freshmen Scott Alexander and Chuck Doskey, both of whom hold much promise for the future.

SOCCKER

Continuing to be the dominating team in the 11-AAAA district, the 1980 Varsity Soccer team once more captured the first and second round championships and placed third in state. To the team's credit is an impressive 8-1-3 record, which was unfortunately cut short by a strong Bonnabel team in the state playoffs.

Beginning the season with a narrow victory over Shaw, the Cavaliers promptly shut out their next five opponents, averaging an outstanding four points per

game. The team's momentum was slowed, however, by a 2-2 tie with East Jefferson, and two very close losses to arch-rivals Rummel and Shaw, during second round action. Not to be stopped, the Cavs rallied strongly with a crushing 7-0 defeat of Redemptorist and ended the season with a 3-1 victory over Jesuit.

Craig Colomes led the Cavs in scoring with fifteen points, followed by a very promising freshman Scott Egermayer, with six points, and senior Tom Hennican,

who had five points to his credit. The remaining twelve points were spread fairly evenly throughout the remaining offensive players.

The varsity defense was also very strong, led by senior goalie Richard Kelley. Together they kept their opponents to only eleven points for the entire year.

Since a number of men graduated this year, it appears that the 1981 season will be a growing one. Once one looks at the impressive junior varsity team and the outstanding returning underclassmen, however, it appears that next year's team will carry on the proud soccer tradition at De La Salle.

JV SOCCER

The 1980 Junior Varsity soccer team brought two trophies to De La Salle this year: district champions, and state runner-ups. Only one team was successful in defeating the young Cavs. Hard work and determination were in evidence throughout the year, while at least half of the team members will continue practicing into the summer by attending soccer camps.

Talent abounds on the young team, notably freshman Scott Egermayer and sophomores Ken Colomes, Leonardo Verde, and Neill Buie. These four players are determined to bring a state championship to De La Salle within the next two years. The team is also fortunate to have the best goalie in the state — Roy St. Paul. With such a good Junior Varsity team and coaching staff, De La Salle will continue to be a state leader in soccer.

BASEBALL

With the excellent records of recent baseball seasons, much was to be expected from the 1980 team; they surpassed those expectations. Beginning in February against S. Terrebonne, the Cavs roared on with a 10-0 victory, and maintained an average of 9 points per game throughout the entire pre-season. Confident of their abilities the Cavs started the regular season with a 4-0 victory over Holy Cross, but soon ran into trouble from Jesuit and Rummell. The Cavs bounced back and won their next five games,

and defeated Rummel to capture the first round play-offs.

The second round began slowly; the Cavs were unable to secure a solid playoff berth. They did, however, end the season 16-7.

Dane Clement led the Cavs in pitching, allowing only 12 pts. per game. Ken McCarthy, who alternates with Dane, was second with a 2.3 average. Billy Katz and Darren Raspino tied for the highest number of runs, 21, while Steve Laborde led with a

99% put-out average.

GOLF

Under the guidance of Mr. Nick Clayton, the Cavalier Golf Team has established itself as one of the winningest De La Salle teams of the past few years. The 1980 Cav golfers remained undefeated, easily capturing the district, regional, and state championships. As a unit, the team was unstoppable; yet each member played brilliantly in his own rank.

All American, all district Tommy Moore, who for the third year in a row was the team's Most Valuable Player, ranked seventh nationally for his consistently excellent performances. Third year letterman Lane Weitz captured State medalist honors with a sizzling four-under-par at the state tournament, in addition to being named to the all district and all state teams with Tommy Moore and Kelly Gibson.

The remaining three members of the district, ^a regional, and state championship teams — Kelly Gibson, Chris Prudhomme, and Duane Lorio — scored well enough to qualify them for the all state golf team.

The Junior Varsity matched the excellence of the varsity by winning first round district play undefeated, while tying for first place in overall JV district action.

Most notable of the five man team, freshman Wesley Becker placed second in the Ecole Classique Tournament, while junior Jeff Crouere was instrumental in winning first round district play.

With their strong performance, the JV will provide talent to maintain Cavalier dominance in Golf.

SWIMMING

For the past three years the Cavalier swim team has reached the state finals, only to capture second. Finally, after four years of hard work on behalf of the team members, the 1980 swim team captured the state title by the largest point margin since 1975.

The Cavs' undefeated season began in January with the City Relay Meet in which De La Salle captured six out of eight possible first places. During mid-April the Cavaliers captured the City title for the fifth consecutive year, while winning the State meet

by a large margin.

Under the guidance of moderator Jim Dukes and coach Dick Bower, several team members had outstanding seasons. Among these are: Most Valuable Player, Mark Broussard; and All-American, Mark Senter. Other notable members were Jake Berlin, Steven Bordes, and John Bower, who managed to double in both the 200 and 300 yard freestyles in the City meet.

TENNIS ^a→

Continuing a winning tradition the 1980 netmen finished fourth in the state, out of a field of twenty-nine teams. Their winning season began in early fall with a first place in the NOITA tournament, defeating Rummell 28 to 23. They then continued undefeated for five consecutive matches until suffering a narrow defeat at the hands of Rummel. Undaunted, the Cavs quickly rebounded and crushed their remaining competition. TRACK ^a→

Over the past few years much effort has been expended in recruiting prospective track and field team members from the student body. This drive was successful; the 1980 team proved to be our biggest and strongest ever.

Several team members deserve special recognition. The field events were the Cavs' strongest area of competition, led by the powerful arms of Mike Horn and Mike Miller, and the agility of senior Bill Morgan. Mike Horn, who threw both the shot-put and discus, captured second in the district and first-place honors in regional action with a new regional discus record of 142 feet. He later qualified for the state meet and in fact reached the finals, but was unable to place.

Javelin-hurler Mike Miller took third in district competition, while Bill Morgan also placed third in pole-vaulting.

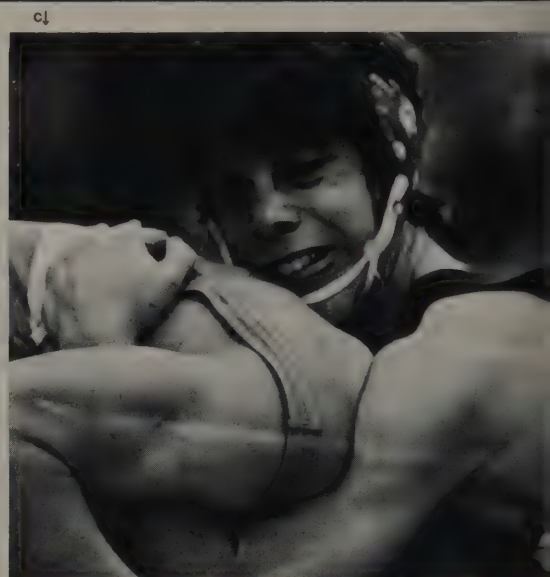

In the track events, Sam Lovecchio was the team's leading sprinter, while the amazing eighth grader, Robert Fleismann, and junior, Derek Williams, dominated the long distance runs. Filling the void between short and long distances was Thomas McMillan, whose fate was the 880 yard run.

Coach Clegg and the 1980 wrestling team had its most outstanding dual meet record in many years. The grapplers posted a 12-1 record for the year, falling only once to its arch-rival Jesuit. Unfortunately, the team did not fair as well as was hoped for in tournaments, finishing a disappointing seventh in state. The seventh position did manage to bring the team back into the top "8" after two years.

The team was led by senior John Hainkel (38-4) and sophomore Steven Gibbons (35-6-1), who placed third and second in state, respectively. Other

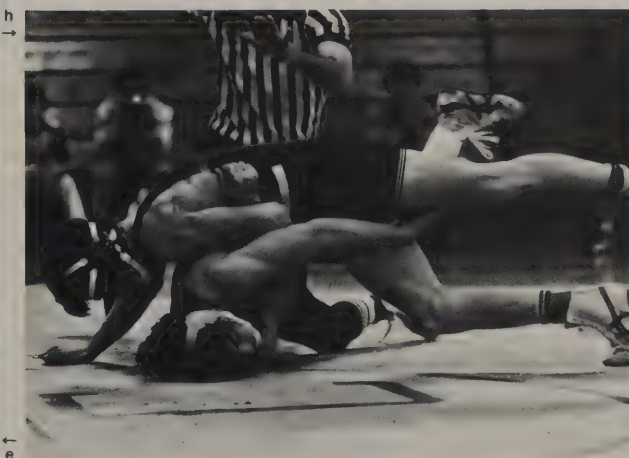

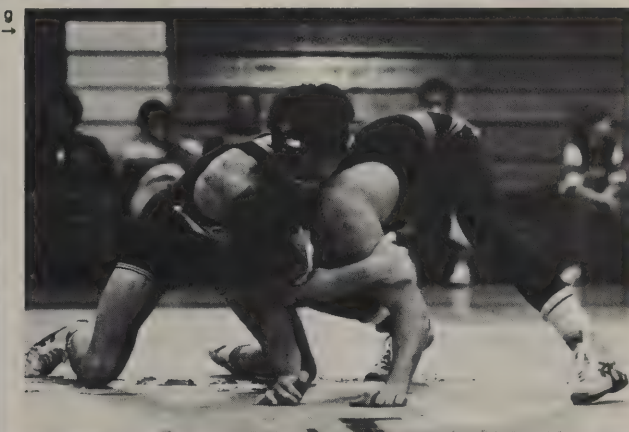

WRESTLING

outstanding wrestlers included seniors Andre Perrin, William Niemeck, and John Cary. Several of the younger wrestlers also did quite well in state, such as junior Bobby Feigler and sophomore John Deutschman, both of whom placed third.

Next year's team is looking for even more victories, while Coach Clegg is hoping to build a stronger tournament team in order to raise the team's overall standings. The 1981 De La Salle wrestling team promises to be a good one.

CROSS-COUNTRY

Last year, Coach Eroll Linden resurrected the cross-country team at De La Salle after several years of virtual non-existence. The first year's turnout was not very good, however, due to general lack of interest. This year, however, a great many more people tried out for the cross-country team, assuring a strong team. And a good team it was, judging by its performance and its members.

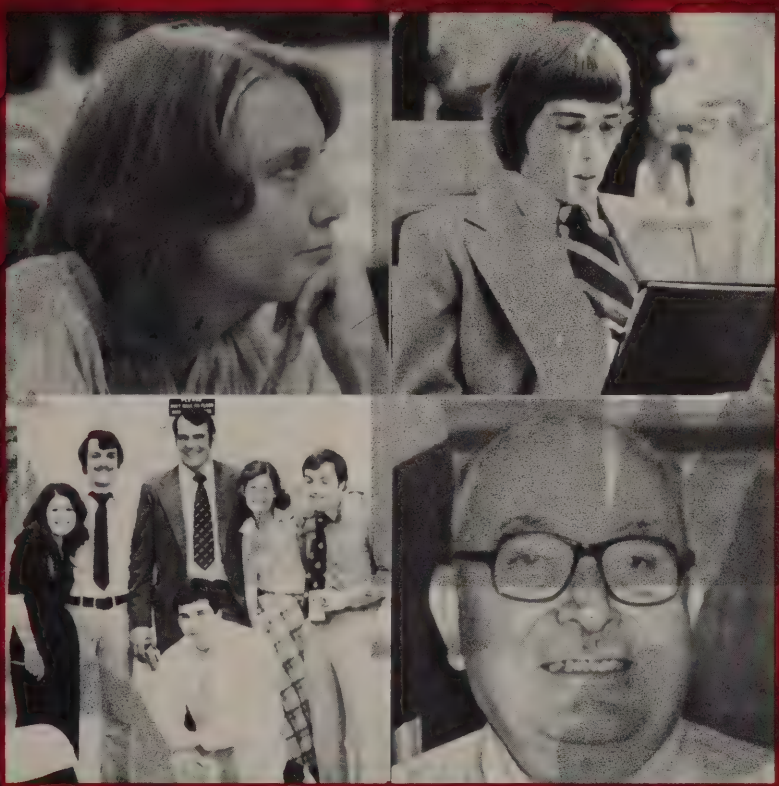

Coach Eroll Linden's prior experience in coaching other cross-country teams had a positive influence on the team, resulting in a diversified body. Eighth grader Robert Fleischmann surprised everyone with his remarkable running ability, while upperclassmen Derek Williams, Michael Giovingo, and Scott Wade turned in fine performances. With such a young and enthusiastic team this year, the future of De La Salle cross-country looks bright.

TO: The Faculty of the De La Salle Family:

It seems like only yesterday when we first came to be part of the De La Salle Family and now it is time for us to move on. But we don't regret this step out into the world because now we have the ability to succeed in it. We believe that you, the faculty of De La Salle, have helped us to achieve this goal. In the past four years we have experienced many hardships together, but we have always made the best of them. As the years went by we grew closer, you showed us what it was to be a true CAVALIER and to be proud of it. You, the faculty, have shown us that De La Salle has more than just a TOUCH OF CLASS, but rather has a firm grasp on it. We believe that you are essential in making De La Salle THE PLACE TO BE.

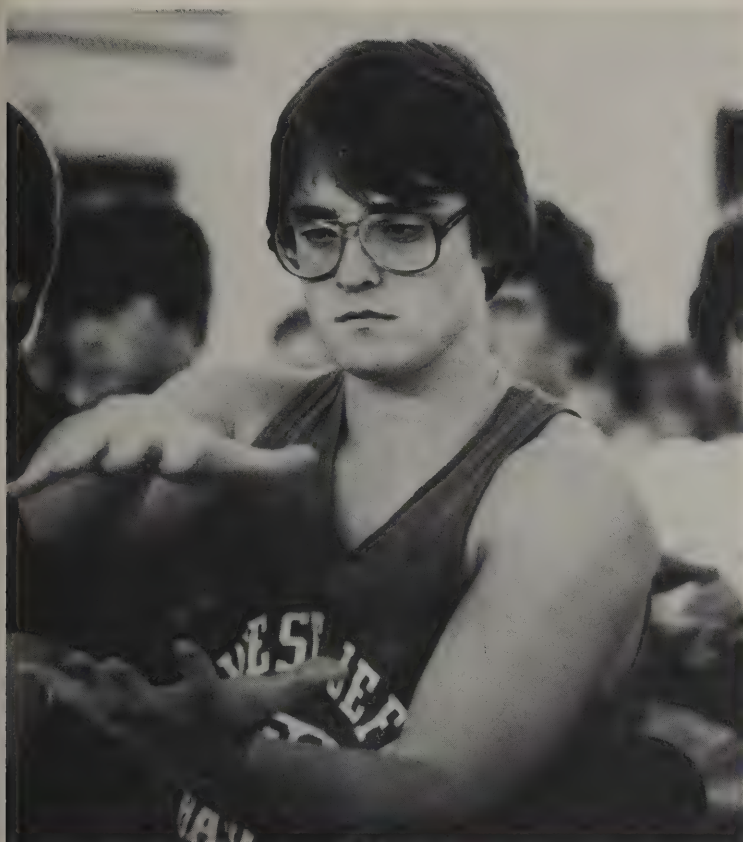

We thank you!
The De La Salle Graduating Class of
1980

We wish to express our thanks to Brother Richard and the administration for their patience and cooperation, to the faculty and moderators who cooperated in making our task of photographing the year easier, and to the secretaries for their willingness to provide needed information and lists.

A special thanks to Mr. Byrne for his assistance in copy-preparation and proof-reading, and to Mr. John Liles of Taylor Publishing Company for his many hours of assistance.

Our intention in the 1980 Maroon Legend was to capture the events, spirit, and overall atmosphere that make De La Salle THE PLACE TO BE. To meet this end, we made several changes such as placing the activities in a calendar format, and increasing the size of the Maroon Legend by 32 pages. We hope you enjoy our record of the year.
